This process is straightforward and personalized to help make you smarter about insurance. I have the knowledge and experience to help you better understand your coverage options--whether that's life, auto, home, renters, business, specialty insurance and more. I am from Johnston City, and have lived there all of my life. I attended High School there, and John A Logan, where I studied Accounting. In the 90's my sister opened a Farmer's Insurance Agency, she was the first in the area. My sister and parents talked me into getting my license and going to work for her. I was an Independent agent in her office and her Customer Service Representative. I wrote policies and serviced all of her customers. We were a family owned and ran agency, our parents were even involved. We focused on taking care of our customers then, and I will do the same now. Whether you are the insurance do-it -yourselfer, or someone who wants a hands-on agent, I will be there for you. I will go the extra mile for you.Give me a call at (618) 694-3132 and I'll be happy to answer any questions you might have in any language.
